

UGC CREATOR PORTFOLIO

Lukey Nwoke

FACELESS CONTENT CREATOR

About Me

Hi, I'm Lukey, a faceless UGC creator who creates engaging and aesthetic content that helps brands showcase their products in a natural and relatable way. I create content across beauty, fashion, lifestyle and tech, with a focus on videos that grab attention and feel authentic.

What I create

Product demo

Show products in a clear, engaging and natural way.

UNBOXING VIDEOS

Aesthetic unboxings that highlight the product experience.

Voiceover content

Faceless videos with engaging voiceovers and storytelling.

PRODUCT PHOTOGRAPHY

Clean, aesthetic photos that showcase products.

SHORT_FORM VIDEOS

TikTok/Reels-style content designed to grab attention.

Content skills

Skills

Product demonstrations
Unboxing & product showcases
Voiceover videos
Short-form TikTok/Reels content

Creator skills

Creative storytelling
Video editing
Trend-focused content
Aesthetic product presentation
Attention-grabbing hooks

Why work with me

Faceless content

I create engaging product content without showing my face, using visuals, voiceovers, text and creative storytelling.

Brand-focused content

I create content designed to showcase products naturally and capture the attention of your target audience.

MY
WORK

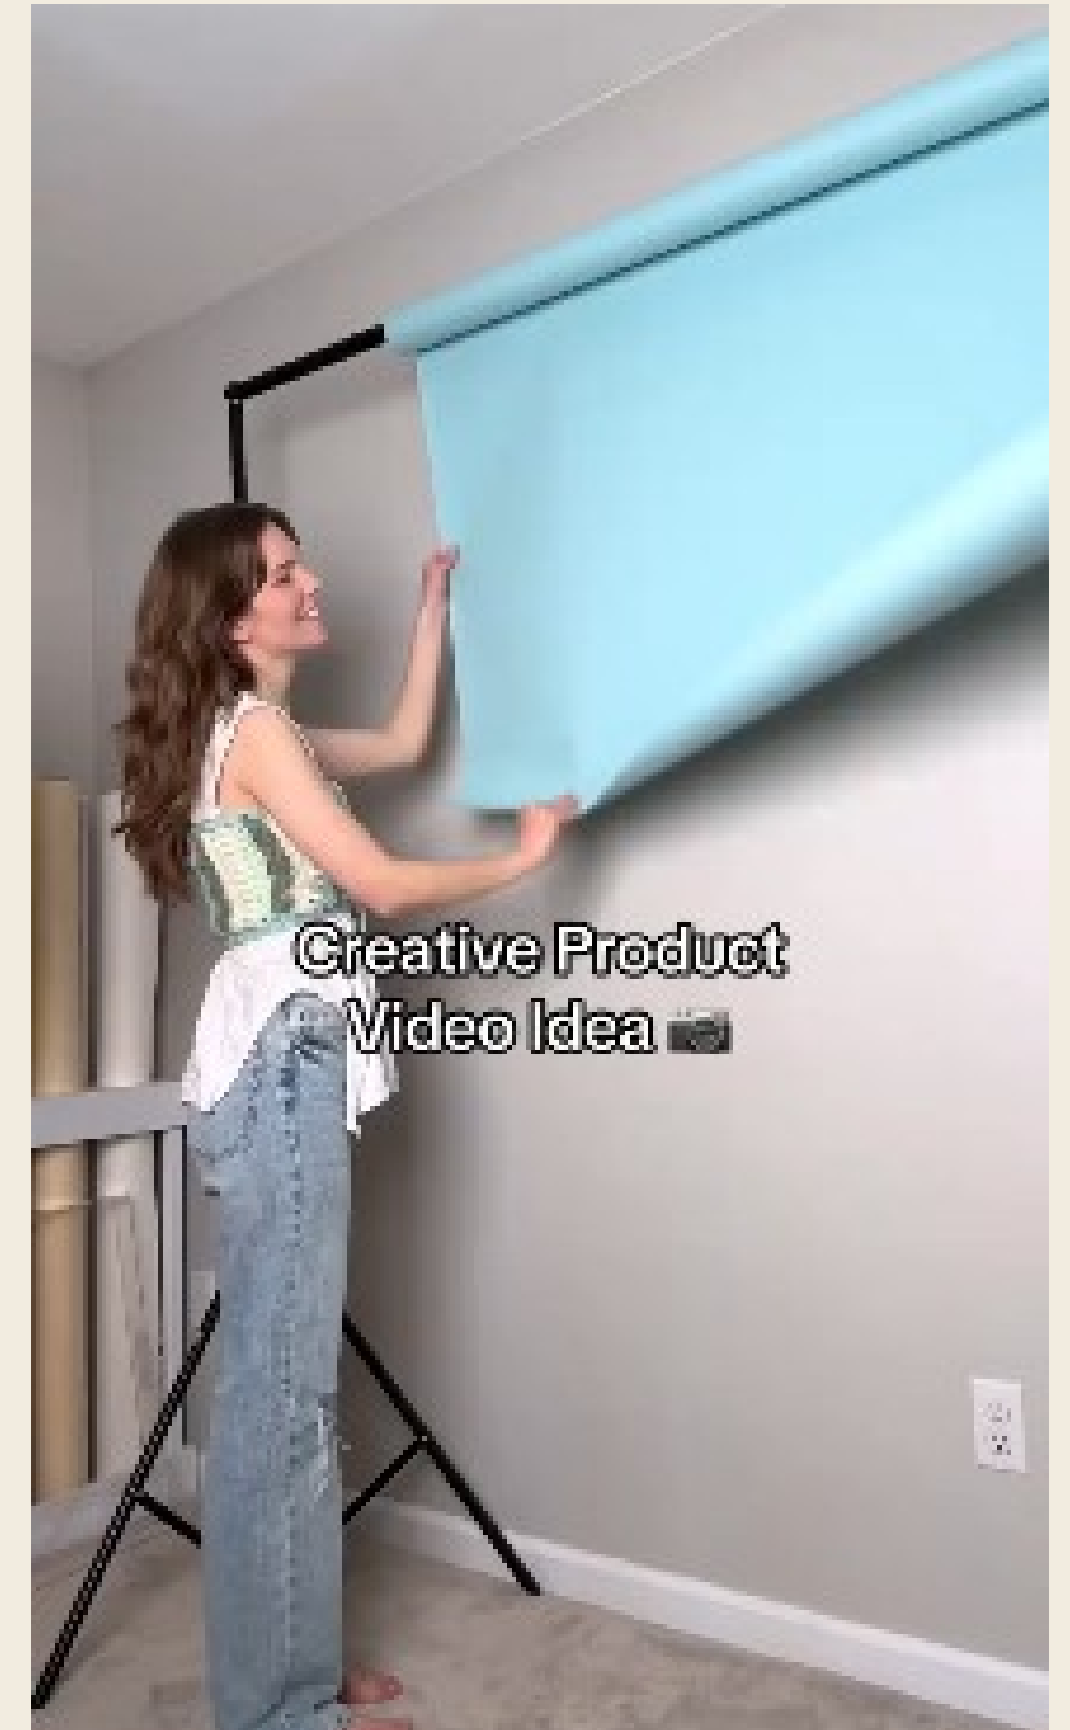

Product showcase

A faceless product showcase created to highlight a product in a clean, engaging and aesthetic way. The content focuses on product details, visuals and storytelling to capture attention

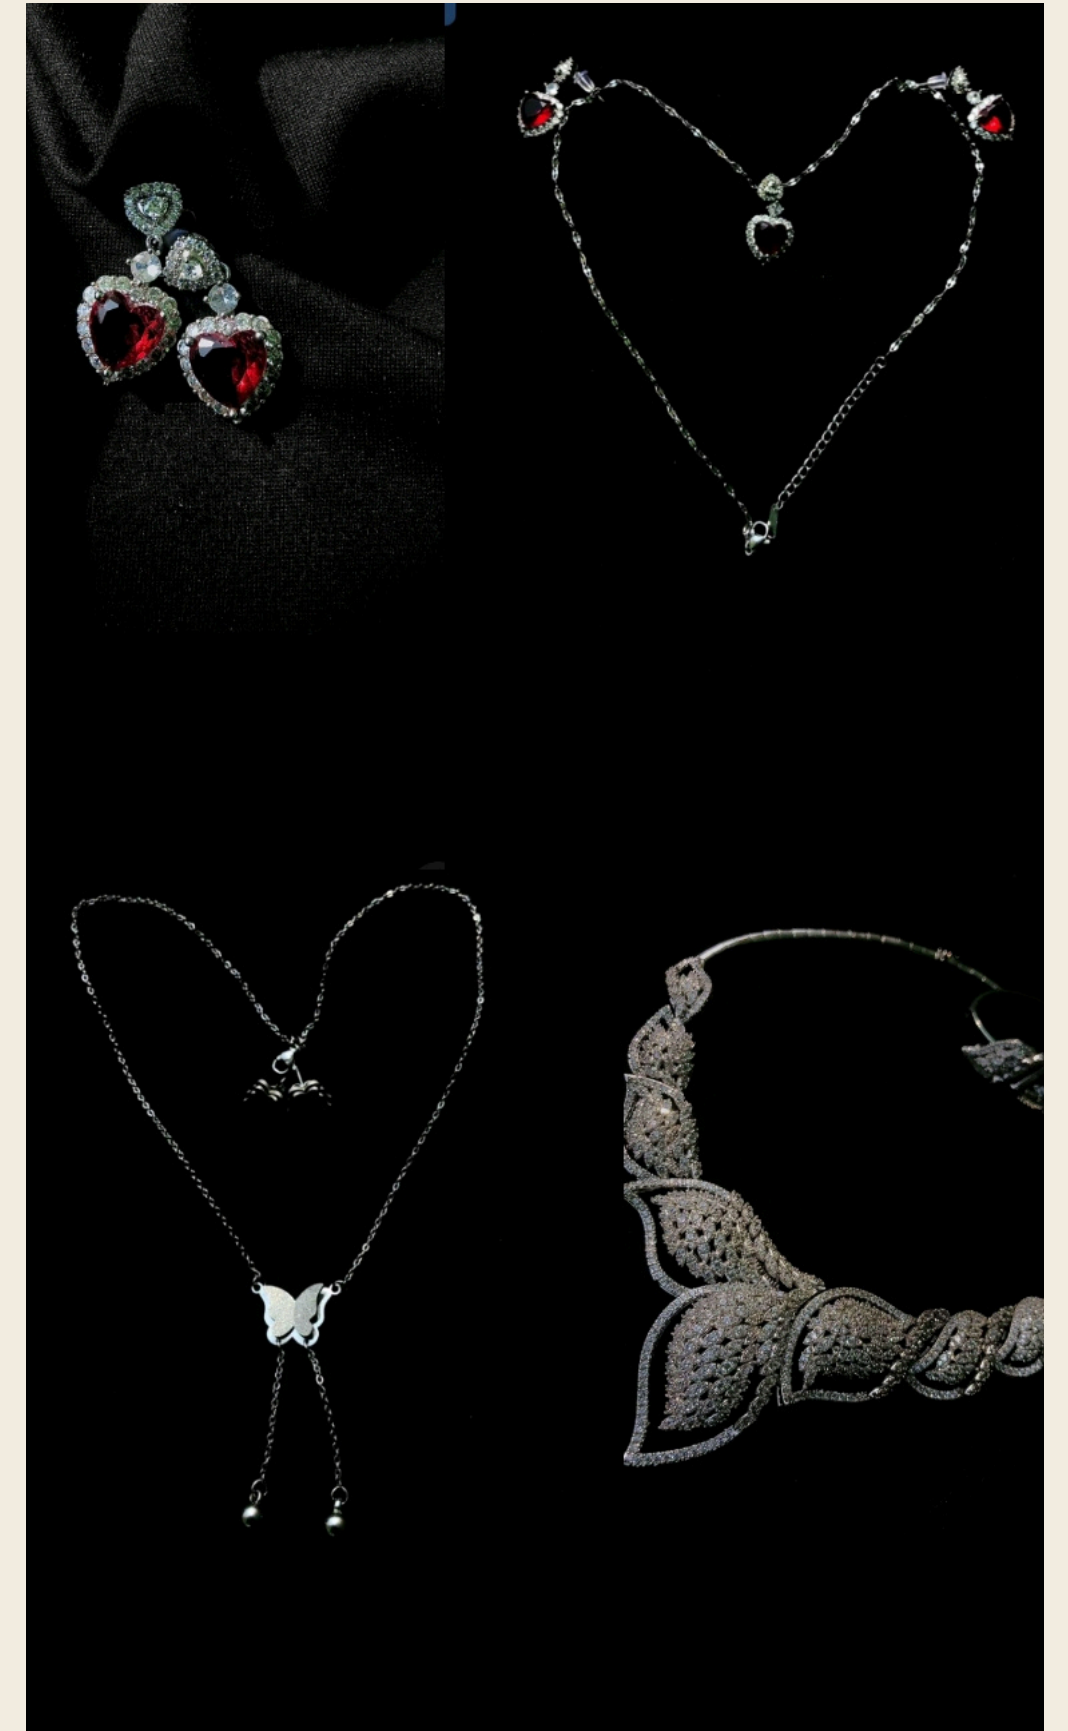

Product photograph y

Clean and aesthetic product photography designed to highlight product details, create visual interest, and make products stand out.

Unboxing and product showcase

Engaging unboxing and product showcase content designed to highlight the product experience through clean visuals, details, and storytelling
