LAMI'S CREATIVES

FOUNDED BY AGORO C. OLAMIPO
(CREATIVE DESIGNER)

Mission: To craft standout, one-of-a-kind designs through a warm, stress-free, and collaborative process.

Vision: To be a trusted creative home where high-end visuals and human-centred care go hand in hand.

Who is

Agoro C. Olamipo?

My name is Agoro Chimuanya Olamipo—a visual designer and scholar bridging the worlds of health science and creative art. In 2023, I entered Bowen University, Iwo, pursuing a double academic path in Medicine & Surgery and Biochemistry.

Qualifications & Experience

- Graphic Designer, TODiH NiMSA (BAMS Chapter): Creating strategic digital assets for health advocacy.
- Assistant Head of English News, Bowen University News: Leading editorial direction and clear storytelling.
- Nigerian Centre for Disease Control and Prevention: Completed a 6-month internship building professional discipline and analytical rigor.

Passions & Creative Drive

My creative energy extends across designing, writing, song writing, and gymnastics. Training in gymnastics fosters physical discipline, resilience, and focus—qualities that directly translate into how I handle complex design challenges.

Why Design & Why Choose Me?

I became a designer because clarity transforms complex ideas into powerful human connections. Choosing to work with me means gaining a collaborator who combines scientific precision, corporate-grade discipline from NCDC and Marigold, and dynamic artistic vision to deliver high-impact visual results.

Campaign Posters

I design high-impact posters that immediately grab attention and clearly deliver your message—helping you inspire action and rally support for student campaigns, health advocacy, or institutional events.

Brand Advertisements

I create strategic ad visuals that highlight what makes your brand special, helping you stand out from the crowd and connect authentically with your target audience across digital and print platforms.

Social Media Designs

I craft eye-catching posts, carousels, and banners tailored for your favourite platforms, helping you stop the scroll and build a sleek, cohesive online presence that your followers love.
