STUDIOS

EOS STUDIOS

AI ADVERTISEMENT & FILM PRODUCTION.

WE TURN BRANDS INTO EXPERIENCES.

Creative Intelligence. Cinematic Execution. Brand Impact.

Illustrative fragrance concept.

Made with GAMMA

EOS STUDIOS

MORE THAN VISUALS. WE CREATE IMPACT.

Powerful advertising captures attention, communicates value, builds perception and gives audiences a reason to remember a brand.

EOS STUDIOS is an emerging creative production brand for AI-powered advertising, product commercials and promotional visual content.

CREATIVE THINKING.
CINEMATIC EXECUTION.

Illustrative product concept

EOS STUDIOS · SERVICES

CREATIVE SERVICES BUILT FOR MODERN BRANDS.

AI Advertisement Videos

Short, polished ads built from your product and idea, without a traditional film set.

Product Commercials

Your product lit and framed like a premium commercial.

Cinematic Promotional Videos

Story-led films for launches, brands and events.

Product Visual Campaigns

A consistent set of campaign images for web, print and social.

Brand Storytelling

Visuals and narrative that explain who you are and why it matters.

Social Media Advertisement Creatives

Scroll-stopping formats built for each platform.

All service visuals are illustrative concepts.

Made with GAMMA

EOS STUDIOS · CONCEPT DEVELOPMENT

TURN PRODUCT IDEAS INTO VISUAL CAMPAIGNS.

AI-assisted creative workflows develop product-focused advertising concepts, cinematic scenes, visual storytelling and promotional videos.

01

Concept and creative direction

Define a precise, confident product reveal.

02

Visual development

Explore scenes, material detail and lighting.

03

Finished advertisement concept

Bring the visual direction into one campaign.

CONCEPTUAL DEMONSTRATION. NOT A COMPLETED CLIENT CAMPAIGN.

Made with GAMMA

MAKE YOUR PRODUCT IMPOSSIBLE TO IGNORE.

Consumer electronics

Crisp, high-contrast lighting. Precise reflections. Clean edges.

Fragrance and personal care

Moody, dramatic light. Glass and liquid detail. Warm highlights.

Fashion and lifestyle

Bold colour. Dynamic angles. Texture.

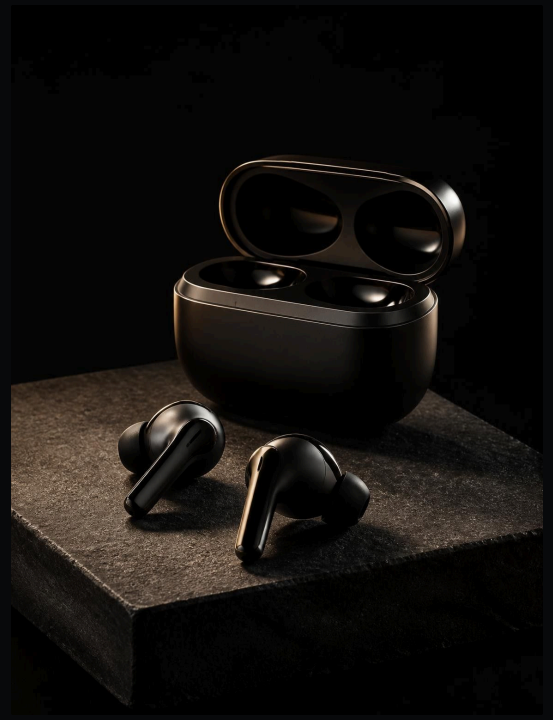

Sample visuals are illustrative concepts.

EOS STUDIOS · CONCEPT PROJECTS

A LOOK AT WHAT WE CAN CREATE.

Not work commissioned by real companies.

A. TECH ELEVATED

Wireless earbuds.
Precise, sleek, high-contrast.
Confident, modern.

B. THE LUXURY SIGNATURE

Fragrance.
Dramatic lighting, glass and shadow. Refined, intimate.

C. EVERYDAY, REIMAGINED

A lifestyle product becomes an engaging experience. Warm, polished.

D. THE MODERN BRAND

A bold fashion concept. Strong colour and attitude. Energetic, contemporary.

All projects are illustrative concepts.

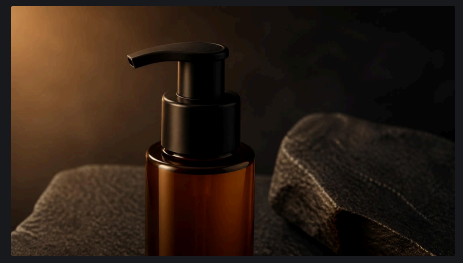

Made with GAMMA

EVERY FRAME HAS A PURPOSE. DESIGNED TO CAPTURE ATTENTION.

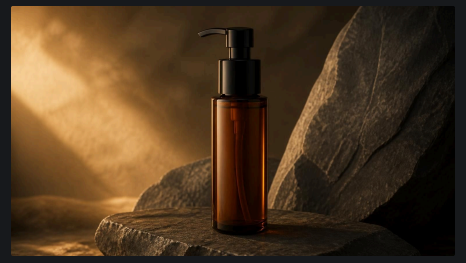

ONE CONCEPT COMMERCIAL · ONE CONSISTENT VISUAL WORLD

Opening hero shot

EOS STUDIOS · WORKFLOW

FROM FIRST IDEA TO FINAL FRAME.

01

DISCOVERY

Understand the product, audience, objective and brand identity.

02

CREATIVE DIRECTION

Develop concept, mood, visual style and messaging.

03

VISUAL DEVELOPMENT

Storyboard, visual assets, product scenes and imagery.

04

PRODUCTION & REFINEMENT

Develop the video; refine pacing and consistency; integrate appropriate text, sound or motion.

05

FINAL DELIVERY

Approved assets in the agreed format for the intended platform.

NEW CREATIVE POSSIBILITIES. SMARTER WORKFLOWS.

AI-assisted production offers flexible concept development, more visual directions, distinctive product scenes and adaptable digital formats, without relying exclusively on traditional filming.

Production time, cost and final quality depend on the project, tools and requirements. No guaranteed sales or performance.

Made with GAMMA

CREATIVE SOLUTIONS FOR EVERY INDUSTRY AND EVERY SCREEN.

Industries we can serve. Examples we could develop, with no implied past clients.

Technology and gadgets

Cinematic product reveal.

Fashion and accessories

Bold editorial lookbook film.

Fragrance and personal care

Dark, atmospheric hero commercial.

Skincare and beauty

Soft-light texture showcase.

Food and beverages

Sensory pour-and-pack-shot ad.

Lifestyle and consumer products

Short everyday-use story.

POTENTIAL DELIVERABLES

Short-form vertical ads (9:16) · Product launch videos · Cinematic promotional films · Social campaign visuals · Product demonstration videos · Brand introduction videos · Horizontal videos for websites and presentations (16:9).

Deliverables are agreed per client campaign.

01

Share your product and objective.

02

Discuss the creative direction.

03

Agree scope, deliverables and pricing.

04

Develop and review according to agreed project terms.
